\*First 60 registrants will receive a bag.

\*\*Teachers will distribute bags to students on Tuesday, May 11, so students that want to can bring them in place of their backpacks for Bike to School Day.

## Peralta Families:

In conjunction with Bay Area Bike to Work Day 2010, we are celebrating students, teachers and staff who ride their bikes, roll or walk to school on Wednesday morning, May 12. For those who typically drive, students will also be rewarded for taking alternate forms of transportation like BART, bus or carpooling that day. Every student has an opportunity to be involved and show that together we can reduce vehicle use and support our livable community.

- **Register for a tote bag full of goodies!** Complete and turn in the registration form above: the first 60 who register will receive a bag.
- **Win prizes while helping the environment!** Volunteers will be stationed in the Peralta playground before school on May 12 to give out stickers and prizes to all.
- **Win a Free Bike!** All students and families who intend to ride their bikes to school/work between May 5-13 should register for a free bike and other cool prizes at:  
<http://www.youcanbikethere.com/user/register>
- **Participate in the county-wide Bike to Work Day on Thursday, May 13, 2010.**
