

Welcome to Peralta!

This little school has a strong reputation based on excellent teaching practice, a commitment to arts-based education, and an active and involved parent community. Together, we work to create a school where all students can thrive.

Thank you for all you do already – all the teeth-brushing, wash-your-hands-after-flushing, eat-your-vegetables parenting that happens every day at home. You are an essential part of the equation that makes Peralta great!
